★ FLORIDA'S ★ STAR ★ STU ★ D ★ SHORTHORN ★ SALE ★

Welcome . . .

To Florida's Star Studded Shorthorn Sale!

Sale managers have a habit of using flowery adjective very loosely when talking about a sale, but I would like to recommend to Shorthorn breeders that are really interested in good cattle and improving their herd to be with us on September 8 when W. E. Leach disperses his herd at Gainesville. This is one of those rare opportunities that do not come along very often in this part of the country and I would like to recommend these cattle to you.

Many of the cattle consigned will be the very best money could buy since Mr. Leach did not spare the money when selecting this herd. I would like to call your special attention to the first six females catalogued since they are comparable with top cows ANYWHERE.

In addition to the great cattle mentioned above, you can expect to see outstanding consignments from Smith Ranch, Winter Haven, Jacklen Farms, Plant City, Dr. H. D. Young, Leesburg, and Loch Leven Farms, Mt. Dora. These guest consignments have been specially selected for this sale and will represent the "cream" of each herd.

Dr. Young is selling the top end of his herd, and retaining only a few of his older females. He is consigning some really great cow and calf combinations in addition to two outstanding herd sires.

In all sincerity, this will be the best Shorthorn sale ever held in Florida, and one of the top sales in the East during recent years.

Mark your calendar now, and make plans to be with us on this date.

Sincerely,

Gary N. Brown, Sale Manager
